## **Statement on Playgroup's Child Protection Responsibilities**

Dear Parent/Carer,

As a provider of early education registered with OFSTED, we are required to follow the Child Protection Procedures agreed with the Area Child Protection Committee and OFSTED within our responsibility to 'Safeguard Children'.

As a provider of early education involved in the care/education of your child, we will endeavour to share with you any concerns we may have regarding injury or specific issues of concern at all times. We will keep a record of such incidents and share this with you. We do have a duty to refer to Social Services if we suspect your child is at risk of child abuse. We will inform you if we make a referral to social services, unless to do so would place your child at increased risk of significant harm. Our first concern will always be the welfare of your child.

We have a copy of the South West Child Protection Procedures for you to see if you wish or they can be viewed on their website: [www.swcpp.org.uk](http://www.swcpp.org.uk)

Yours faithfully

Sarah Ingram  
Supervisor

Ali Petherbridge
